PC MATERIAL

ABS MATERIAL

Embossed Logo

STRONG DURABLE HINGE

50,000 Times Proof of Hinge Open & Close Test !!

The strong and durable hinge of the tool box survives 50,000-time Open & Close Test, due to its High Tensile Strength material. The hinge definitely survives frequent use with ease.

Outstanding **TPR Material**

The injection case features high impact strength TPR material, providing not only soft texture, but also resistance to chemicals and weathering.

Super Quality **PC Material**

It makes the products more valuable with the highly transparent and clearly attractive finish. Furthermore, it has high impact-resistance and scratch-resistance to perfect products.

Excellent Grade **ABS Material**

The properties of impact-resistance and toughness give the tools perfect protection.

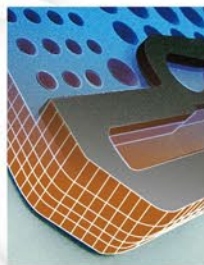

Foam Tray Control System

Ultimate design perfectly suits a wide range of product. It provides great tool organization and ensures an excellent fit.

FASHION & PERFORMANCE.*

HIGHLIGHTS

Magnetic Holding System

- Prevents the bit from falling off when working, and helps users to change different specs of bits easily and quickly.

Quick Release

- By simply pushing the release button with one thumb with the least effort, users can replace sockets quickly and efficiently.

Reversible Lever

- Lever flip design for easily switching the ratchet action direction.

6 Degree Action Arc

- The fine teeth offer a small return angle of only 6° to work in confined spaces.
- With Thumbwheel for rapid spinning.

Ergonomic Design Handle

- New ergonomic-designed handle ensures the handle to be laid comfortably in hand and achieves optimum torque with excellent power transmission.

Item No.	Type	L (mm)	W (mm)	H (mm)	g
252311	1/4"	86	17	18	54
252312	1/4"	86	17	9	52

2 in 1 Adaptor

With outer square and internal hexagon, it can be used as sockets adaptor and bits adaptor by a simple sliding.

Connect with power tools, it makes job easy and efficient.

just in **ONE** piece!!
for bits for socket

11

Type	L (mm)	H (mm)	g
1/4"DR	71	13	34
1/4"HEX	81	13	34

Palm Ratchet

Features make it **UNBEATABLE** :

- Compact size facilitates working in a confined area.
- 72 teeth ratchet in 5 degree action arc.
- Dual purpose for one ratchet.

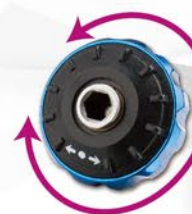

W	L (mm)	H (mm)	g
	38	27	54

Magnetic Design

With the magnetic bit holder, it is a "SNAP" to insert and take out bits and accessories.

Reversible Switch

With the reversible switch on the top of the handle, it is easy to change working direction for forward, reverse or fixed.
